

Defiance College Financial Aid Office Consortium Agreement

A transient student is one who is pursuing a Defiance College degree but is going to enroll at other accredited institutions for a short period of time. Defiance College is considered to be the “home school” and the other schools are considered to be the “transient or host school.” Consortium agreements are a voluntary relationship between two different schools.

TYPE OF FINANCIAL AID AVAILABLE

The Federal Direct Subsidized, Unsubsidized and Parent Loans for Undergraduate Students (PLUS) are available to students who are enrolled at least half-time. The Federal Pell Grant is available to all eligible students as defined by the federal guidelines. Institutional scholarships and grants are not available.

BASIC REQUIREMENTS AND POLICIES

1. The class must be an approved class for your degree at Defiance College
2. You must have a grade point average of at least a 2.0 and maintain good satisfactory academic progress according to the college catalog before the consortium agreement will be processed.
3. The student is responsible for paying all up front cost to the other school including books. The Defiance College Business Office will not forward financial aid proceeds on your behalf. If you receive a refund check, you may utilize these funds to pay the host school charges.
4. Refunds will not be available until 2-3 weeks into Defiance College’s semester. Please remember that 2-3 weeks is the standard time but could be longer depending on processing issues.
5. All forms must be completed 6-8 weeks prior to the start of the term.
6. According to federal regulations, a host institution is not required to agree to the terms of this agreement. If the host school refuses the consortium agreement, there is no appeal process. Your financial aid will be based on hours at Defiance College only.
7. With a Consortium Agreement, financial aid is based on the cost of the courses at the two schools. Depending on the cost of attendance, financial aid eligibility may vary.
8. Defiance College Scholarships and Grants are not available with a consortium agreement.
9. Students must immediately inform Defiance College Financial Aid Office of any changes in enrollment, including withdrawing from all courses or substitution of approved courses.
10. Students must submit an official academic transcript upon the completion of the consortium agreement to Defiance College.
11. This consortium agreement is valid for one semester. A new consortium agreement is required for subsequent terms.
12. Students must have already attended Defiance College or are currently scheduled for this period of enrollment.

I have read this document and agree to the terms set forth by Defiance College.
