WELCOME

Welcome to the 1+2+1 Nursing Program here at Defiance College! This unique and competitive program offers the best of two worlds – outstanding liberal arts education and advanced nursing education at Defiance College along with top-quality RN preparation at Northwest State Community College or Rhodes State College.

As a freshman, you will have the same opportunity for the full college experience as every other student at Defiance College. During your second and third years, while enrolled in the AAS (Associate of Applied Science) Degree Program at NSCC or RSC, you will continue to be Defiance College students, therefore, you can participate in Defiance College activities and access college resources.

After completion of the AAS Degree through NSCC or RSC, you will return to DC for your fourth and final year and complete the advanced nursing courses and Liberal Arts courses online.

We look forward to working with you through your journey over the next four years. Feel free to contact us with any questions or concerns you may have.

OVERVIEW OF PROGRAM

Defiance College 1+2+1 Nursing Program

In Partnership with Northwest State Community College and Rhodes State College

The Defiance College 1+2+1 Nursing Program, in partnership with Northwest State Community College (NSCC) and Rhodes State College (RSC), offers a Bachelor of Science in Nursing degree in a four-year format. The program is intended for students who are immediately entering a college following high school graduation. The first year is taken at Defiance College, and for the second and third years, students will take classes at Northwest State Community College or Rhodes State College and complete the AAS (Associate of Applied Science) Degree, their RN (Registered Nurse) program.

To be eligible for this partnership program, students must apply and be accepted to NSCC or RSC once accepted to Defiance College. Ten seats in the RN program at NSCC and eight seats in the fall and 5 seats in the spring at RSC are guaranteed to Defiance College students. Students who successfully complete their first year at Defiance College, meeting all program requirements, will be eligible for these seats. This is a **competitive process, which is awarded by GPA**, and only the top ten students for NSCC and the top eight students for RSC will be guaranteed seats.

For the fourth year, students will transfer back to Defiance College after completing the AAS Degree at Northwest State Community College or Rhodes State College. Admittance into the BSN completion program is contingent upon being in good academic standing (2.5 GPA or higher) and successfully completing the NCLEX-RN exam before entering in to the first clinical course.

NURSING PROGRAM GUIDELINES

1. All courses taken year one and year four must be taken at Defiance College.
2. The GPA will be calculated using only courses taken at Defiance College when determining the eligibility for the 10 seats at Northwest State Community College and the 8 seats at Rhodes State College.
3. After the fall semester, the list for the 10 NSCC seats will be generated. Students passing the PAX exam and with a cumulative GPA of 2.5 or higher will be eligible for a spot on this list. This is only a tentative list of eligibility for the 10 seats, which will be continually revised and evaluated throughout the spring semester.

After the fall semester, the list for the 8 RSC seats will be generated. Students passing the TEAS exam and with a cumulative GPA of 2.5 or higher will be eligible for a spot on this list. This is only a tentative list of eligibility for the 8 seats, which will be continually revised and evaluated throughout the spring semester. This is also the same standards for the 5 seats available in the spring semester.

4. At the end of spring semester, the 10 seats will be filled by GPA status. Once the 10 seats are filled, the process of evaluation will end. By the end of June a formal letter will be given of your acceptance.
5. Should there be more than 10 students eligible, students who do not get placed in one of the 10 guaranteed seats may consider the following options:
 - ✓ Alternate List – Students may be placed on the alternate list and will be notified in July should there be an opening for fall admission to NSCC
 - ✓ Spring application for admittance – Student may continue taking classes at DC the following fall and apply for potential admittance into the AAS Degree Program the following spring at NSCC or fall or spring at RSC. A formal letter will be sent by November 1 of your acceptance into the program.

PAX PRE-ADMISSION EXAM – FAQ’S

How can I study for the PAX?

- To help you study for the PAX-RN, the NLN offers the following book, *NLN Review Guide for RN Pre-Entrance Exam*, which provides an overview of the verbal, math, and science content necessary for admission to RN programs in nursing. The book contains practice questions and three practice exams in each content area: verbal ability, math, and science. This review guide is available in the Northwest State Community College bookstore or directly through Jones & Bartlett Publishers. DC Pilgrim Library has the book on reserve and can also connect you with a free tutor for the PAX exam.

Registering – How do I register for the exam?

- The cost of taking the exam at NSCC is \$55.00. To register and pay for the exam, you will need to set up an account online at www.nlnonlinetesting.org. To create an account once on the website, click the “Create Account” button. After you create an account, you must click on the “Registration Store” button to register for the exam. Make sure to register for the correct exam-RN Pre-Admission Exam. Please read the exam policies on this site.

What is the cost and how do I pay for the exam?

- Forms of payment include major credit cards such as VISA, MasterCard, Discover, and American Express. Money orders are accepted when paying at least 10 days before the registration closes. Personal checks are NOT accepted. The NLN does not issue refunds for this exam.

Where is the exam administered?

- The NLN PAX is used by many nursing schools to help determine an individual’s readiness for entry into an RN program. Test dates will be available at Northwest State Community College throughout the year. **There is limited seating (40) available for each testing period, so be sure and register in advance to assure a seat.**

Who receives the test scores and how do I know if I passed?

- You can access your online exam score immediately from your testing account. Once the test is completed just refresh the welcome page and click on Review Exam. Each school sets its own admission standards. The passing standard at Northwest State Community College is > 50th percentile (**relative performance > 50**) on all the areas tested. The NLN is not involved in this process, nor does the NLN establish a “passing” or “failing” mark on the test. Test results show how your scores compare with those of other applicants who have taken this examination nationally.

What if I don’t pass the exam?

- Students may retake the NLN preadmission exam ONE time only. You must wait six months after the original exam before retesting.

When does NSCC offer testing for the exam?

- Testing is offered remotely at this time.

What should I bring to the exam session?

- A printed copy of your “Exam Confirmation”, Student photo ID, and pencils with erasers.
NO CALCULATORS PERMITTED.

****It is important that you be online at least 30 minutes prior to exam time.**

TEAS PRE-ADMISSION EXAM – FAQ’S

The ATI TEAS measures basic essential skills in the academic content areas of reading, mathematics, science, and English and language usage. The ATI TEAS test is comprised of 170 questions set up in a multiple-choice format with four-option answers. Questions are designed to test the basic academic skills the student will need to perform in class in the areas of Reading, Math, Science, and English and Language Usage.

How can I study for the TEAS?

- To help you study for the TEAS exam, the following items are available for purchase on the atitesting.com website: TEAS study package, TEAS study material, TEAS Online Practice Assessment, Learning Strategies: Your Guide to Classroom and Test-Taking Success.

Registering – How do I register for the exam?

- The cost of taking the exam is \$65.00, plus tax. If the exam is taken through a proctor, the cost is \$65.00, plus an additional \$5.00 proctoring fee. To register and pay for the exam, you will need to set up an account online at atitesting.com. To do so, visit atitesting.com and click “Create an Account” (follow the screen prompts). You only need to register once, and you will use the same account throughout your health science program. You’ll need your ATI username and password to take an online test. Please bring this information with you to the testing location. After creating an account, the student will then need to email testcenter@rhodesstate.edu to set up a time to test.

How do I pay for the exam?

- The exam is purchased through ATI TEAS as explained above and a debit or credit card must be used for payment.

Where is the exam administered?

- The ATI TEAS exam is given by appointment or per online proctoring through Rhodes State College. The students will need to email testcenter@rhodesstate.edu to set up a time to test. RSC is offering proctored exams on Mondays and Wednesdays at 9:00am and 2:00pm. There is a \$5 proctoring fee that goes straight to Proctorio in addition to the cost of the exam. The students must have Chrome and can only use a laptop or computer. Tablets and iPads cannot be used according to TEAS. The student will also need to have a microphone and camera. When the student emails the Testing Center at RSC, information will be sent out on downloading the extension to Chrome, as well as other information. RSC is also offering the exam by appointment only at the Testing Center on campus.

Who receives the test scores and how do I know if I passed?

- You can access your online exam score immediately from your testing account. Once the test is completed, your test will be scored immediately, allowing the student to view the ATI TEAS score report at that time. The passing standard at Rhodes State College is an overall composite score of at least 60%. ATI is not involved in this process, nor does the ATI establish a “passing” or “failing” mark on the test.

What if I don’t pass the exam?

- Students may retake the ATI TEAS exam twice per calendar year, unless approved from the nursing department to test more than twice. Students must wait a minimum of 30 days between exams.

What should I bring to the exam session?

- If the exam is done online through a proctor, the student will need their ID to show the proctor and scrap paper and pencil. If the student is taking the exam at the Rhodes Testing Center, a debit or credit card and a photo ID is needed.

ADVISING INFORMATION

Defiance College provides close attention to all students. Once students have been admitted to the 1+2+1 Nursing Program, they will be assigned a faculty advisor. You will also be assigned a faculty advisor at Northwest State Community College or Rhodes State College when you begin classes there.

Your DC advisor can be found on *MyDC* through the Defiance College website. The DC advisor will ensure prompt service and attention to each student's needs during your Freshman year.

Your NSCC advisor can be found on *MyNSCC* through the Northwest State Community College website. A picture and name of your adviser at NSCC should be located at the top left of your homepage. They will help you with questions on academics and course selection during your Sophomore and Junior years.

Your RSC advisor can be found on *MyRSC* through the Rhodes State College website. They will help you with questions on academics and course selection during your Sophomore and Junior years.

Students should utilize both advisors and stay in close contact with both, however, If you begin to have any academic issues please contact the Director of Nursing at Defiance College as soon as possible so she may begin to assist you as best she can.

STUDENT ACADEMIC SUPPORT SERVICES

Student Support Services - Supports the educational mission of Defiance College by providing academic services to assist the college's students.
