## THE TRANSFORMING DIFFERENCE

An update on A Campaign to Defy the Ordinary,  
the largest campaign in College history

In the Winter 2008 issue of *The Defiance College Magazine*, we introduced the public phase of our comprehensive campaign entitled *The Transforming Difference: A Campaign to Defy the Ordinary*. The committee plans to bring you updates on important issues as they arise during the remainder of the campaign, our largest in College history. As of May 13, 2009, we have received in gifts and pledges totaling \$14.2 million – 54.7% of the \$26 million goal. We are delighted with the progress since entering the public phase of the campaign in October 2008, particularly during this difficult economy. Your gifts have made a difference. Thank you!
